# HEATS **M**

# HOW THE CALCUTTA WORKS

*All greyhounds competing in the Melbourne Cup Heats are split into 14 lots. Each lot is raffled off to ticket holders and can then be purchased in the auction stage.*

## THERE ARE 2 STAGES OF THE CALCUTTA AUCTION

### 1) THE TICKET DRAW

Tickets to win a lot in the raffle cost \$10 each and are available both prior to and on the night. All proceeds from the ticket draw go into the overall prize pool. The Calcutta commences with one ticket being drawn for each group of runners in the Sportsbet Melbourne Cup heats which will be races 5-12. If your ticket is drawn, you 'own' that group of greyhounds ahead of the auction stage!

### 2) THE AUCTION

Once the ticket draw has been completed each group of greyhounds will be auctioned to the attendees at the Calcutta, who have the opportunity to bid for that greyhound. You can bid on your own, or you might choose to pool resources with others.

After the hammer falls on each group of runners:

50 per cent of the sale price goes to the person who drew that greyhound in the ticket draw; and the remaining 50 per cent goes into the ever-growing prize pool.

The highest bidder in the auction stage becomes the new owner of that greyhound.

Successful bidders must pay for their greyhounds on the night  
– Cash and EFTPOS/Credit Card facilities are available.

### AFTER THE RACE

After the running of the Sportsbet Melbourne Cup Saturday November 30th, the prize pool (consisting of all ticket sales plus fifty per cent of auction proceeds) is divided as follows:

- 70% to the owner of the winning greyhound;
- 20% to the owner of the second placegetter; and
- 10% to the owner of the third placegetter.

**The Box Draw for the final will be held at the conclusion of tonight's meeting**
